

Runway A/B Test: Model vs Personal Photo

🤔 Questions to Consider:

- Which version makes you think "I want to wear this tomorrow"?
- Which feels more like **inspiration** vs **instruction**?
- Do you trust the personal version, or does it feel uncanny?
- Which would you screenshot and text to a friend?

Sage skirt + black tee + cream boots

Version A: Model

Generated in 25.0s

Version B: Personal

Generated in 27.7s
